Prospectus

SIMHEM or Society of Indian Materials Handling Equipment Manufacturers is the only which epitomizes leading Manufacturers of Material Handling & Warehousing Equipment and Manufacturers of Hand Pallet Trucks, Branded Aggregates & Attachments.

SIMHEM provides a platform to its Members to communicate with each other and also with International bodies and associations in the Material Handling Industry. It assists its Members to participate in Domestic & International Conferences, Trade Shows & Exhibitions.

SIMHEM collates Industry Data through an Independent Agency and disseminates the same to its Members on monthly basis. This helps the Members to assess the trends in Order Intake and Shipment Quantities.

SIMHEM organizes Seminars & Discussions for Customers using Material Handling Equipment in order to keep them up dated about the happenings in the Industry. This gives an opportunity to the Customers and Manufacturers to interact with each other.

SIMHEM interacts with Organizers of Trade Shows on behalf of its Members to obtain the best propositions. It also guides the Organizers in the selection of venues for future shows.

SIHMEM participates actively in CSR activities. It donates Management & Technical Books to needy students from Industrial Training Institutes. During the year 2013, 50 students of ITI Kurla were given a Text Book on Management Studies in Marathi. Go ahead.... Be a part of SIMHEM
